### About Me

I am a passionate JavaScript full-stack developer with a focus on frontend development. I have a deep love for logical thinking and problem-solving. I thrive on challenges and am constantly driven to expand my knowledge and skills. I am relentless in my pursuit of growth, always seeking opportunities where I can enhance my expertise and contribute meaningfully to projects. I am enthusiastic about finding a position that not only values my current skills but also encourages continuous learning and professional development.

### Education

2012 – 2015  
Cracow, Poland
